

# DIGILANT

As a global programmatic media pioneer, Digilant partners with the world's leading agencies and brands to deliver custom digital media solutions that seamlessly plug into your overall media and marketing strategy.

Innovating for a future that is both omni-channel and omni-digital, as part of ispDigital, [we deliver the only closed loop programmatic solution that is both cross channel and cross device.](#)

Present across the globe in Europe, Latin America and the US, our experienced team of digital advertising leaders humanize the complexity of today's marketing data and deliver insights that are unique for each advertiser to capitalize on and get results.
